Ottawa Recreation Commission Frisbee Fest

The Ottawa Recreation Commission hosted the first ever "Ottawa Frisbee Fest" on June 22 at its new disc golf course in Forest Park. The tournaments sold out and hosted participants from twenty-seven different communities across three states! Over 600 people participated in this first ever festival!

Frisbee Fest was a joint collaboration with the Kanza Disc Golf Club and was sponsored by Ottawa Bike and Trail. Frisbee Fest consisted of a Dynamic Discs Trilogy Challenge and an unsanctioned Doubles Tournament. There were multiple disc golf games for the public to try including a Marksman Challenge, Accuracy Challenge, Ring of Fire, and a Longest Drive Contest. The festival also included a food truck row, Ottawa Play Day presented by Playful Ottawa, Free Swim Day at the Forest Park Swimming Pool, and live music!
