Franklin County Mask Distribution for Businesses

July 02, 2020

Franklin County acknowledges Kansas Governor Laura Kelly's Executive Order #20-52 that was executed this morning and can be read [here](#). Per the Order, all businesses or organizations in Kansas must require employees, customers, visitors, members, or members of the public to wear a mask or other face covering. In order to encourage compliance with this Order, Franklin County will be distributing masks to businesses while supplies last.

Mask distribution information:

Today, July 02, 2020 from 1 to 6pm at the Franklin County EMS Building – Station 1 (located by AdventHealth Ottawa). To avoid long lines, businesses should call 229-7312 to schedule an appointment. Due to the limited number of masks available, bars and restaurants will be receiving 100 masks. All other businesses will receive 50 masks. Masks will be distributed to businesses on a first come, first serve basis as the total number of masks available is limited.

Mask distribution will continue to be conducted over the weekend at the Franklin County EMS Building by appointment only, between the hours of 8:30am and 5pm. Please leave a message at 229-7212 and you will receive a returned call, as soon as possible.
