

Written For:
Ethan Harris Smith and Berkleee Rae Dankenbring

Ethan Says Please No Not A Girl
I Know Nothing Of Baby Dolls and Curls
I've Only Got Tanks And Army Men
I Won't Play Barbie's, Not Even Ken

But He Sneaks In Her Room Late At Night
So She Won't Be Scared He Turns On A Light
He Brushes Her Hair When No One's Around
Hums Her A Sweet Song With That Boyish Sound

He Holds Her Hand When They Go Outside
Won't Ever Say No To A Piggy Back Ride
He Helps Her With Her A, B, C's
Yes Sir, No Sir, Thank You And Please

He's Closer To A Man Now Than A Boy
Sometimes Can't Be Bothered, Acts Kind Of Coy
But She Melts His Heart Like When He Was Three
Closer Than Cousins On The Family Tree

Don't Tell Him Now He Didn't Want That Girl
He's Become The Shell That Protects The Pearl
He Knows Now To Be The Best That He Can Be
Because Everything He Does Is All She Will See
