SUBJECT: **Cedar Street & Oak Street Storm Sewer Improvement Project**

DATE: Tuesday, October 04, 2022

An open house style public meeting is planned for **Monday, October 10th from 6:00 - 7:00pm** at Ottawa City Hall, 101 South Hickory, in the Study Session Room. At this time, we can go over the project and answer any questions or concerns you may have.

The project consists of removing, replacing and constructing new storm sewer lines. They will be doing some mill/overlay; removing/replacing curb and gutter on Cedar Street from 13th Street to 15th Street and installing new storm sewer lines on Oak Street between 14th Street and 15th Street.

This project is anticipated to begin on Wednesday, October 12, 2022.

If you are unable to attend and have questions, please do not hesitate to contact us.
