COVID-19 Vaccination Campaign

Current Vaccination Phase:

- PHASE 1b – all counties
- County-level phase status information can be found HERE
- A comprehensive description of phases and priority groups can be found HERE

- Since December 12th, the Wyoming Department of Health (WDH) and its partners have been distributing and administering COVID-19 vaccines as part of the continued response to the COVID-19 pandemic.
- Vaccines are being shipped to counties weekly, based on available vaccine and campaign planning efforts.
- Updates to the WDH Phase 1 designations were released on February 1. Vaccine supply remains low, therefore, individuals named in Phase 1 may still experience delays between now and the time they are able to receive the vaccine.
