

Dear Doctor,

On behalf of **Wyoming Women in Medicine (WWM)** we are sending this email to update you on what is happening with WWM and what you can anticipate for Spring 2022.

The second-year co-presidents (Luiza Bosch and Audrey Lucas) are in the midst of their dedicated Step 1 studying, and are handing the reins over to the first year WWAMI students Sara Martinez and Hannah Ahuja, with the help of our faculty mentor, Dr. Yvette Haeberle, and Sheila Bush with the Wyoming Medical Society (WMS).

Yvette Haeberle, MD

Hannah Ahuja, MS1

Sara Martinez, MS1

Sheila Bush, WMS

We will be hosting an informal zoom happy hour with our “Quarantini” event like last year for WWM for the opportunity to get to know each other. If you do not already know us through the WWAMI program, this would be a great way to meet some of the students who may be your colleagues one day. The event will be on **Tuesday February 22 at 7pm MNT**. <https://washington.zoom.us/j/97331911336>
Meeting ID: 973 3191 1336

We are also excited to announce a **fundraiser** for a WWM scholarship fund to pre-med students. See the attached flier for more information! We will be hosting an event to continue collecting donations on **Friday March 11th** in Laramie. See the **attached flier** for more details.

WWM aims to be a platform for women in medicine to build connections in a state with one of the lowest percentages of women physicians. Camaraderie is important to us and we hope that our presence can help strengthen relationships between ALL Wyoming physicians.

We hope to see you all at the WWM virtual happy hour and WWM fundraising event. Thank you for supporting WWM and stay tuned for more. If you would like to be REMOVED from this email list, please reply that you no longer want to receive WWM information and we will take you off the list.

Best,

Luiza and Audrey
