

WYOMING MEDICAL SOCIETY IN PARTNERSHIP  
WITH WWAMI PRESENTS:

# Wyoming Women in Medicine Scholarship Fund

## INSPIRING CHANGE

With 25% of total physicians in Wyoming identifying as female (the lowest in the US) we have the ability to network, collaborate, inspire, and encourage established and incoming female physicians to start or continue practicing in the state.

## SCHOLARSHIP GOAL

The goal of this scholarship is to provide aid to pre-medical women students confronted with the costs of paying for MCAT exam prep courses, the MCAT exam, travel for interviews, or any other needs they may have in the costly experience of applying to medical school. We hope to support our future women physicians of Wyoming. We hope to raise \$2,000 for students applying for the 2022 application cycle by December 1, 2021.

## FUNDRAISING EVENT

We are hosting a WWM event to continue raising funds and fostering community. Our event will be in Laramie, at Bond's Brewing, Friday March 11th, 2022. Come for some great music performed by Bret Andrew, and food and drinks. \$20 entry fee OR a pledge of at least \$100 towards the 50/50 raffle tickets

## HOW TO DONATE

Send a check to  
1000 E University Ave, Laramie, WY 82070  
payable to "WWAMI medical education"

VISIT US AT [WYOWOMENINMEDICINE.COM](http://WYOWOMENINMEDICINE.COM) TO LEARN MORE!

We hope to see you at the WWM event. Growing community is our goal through both interaction and networking as well as support and encouragement to our future generations of women physicians.
