Sheila Bush  
Executive Director  
Wyoming Medical Society

*Delivered via Email*

Director Bush,

As the executive director of the Wyoming Medical Society, I am appointing you to serve on the Wyoming Healthcare Workforce Task Force. Your participation in the very important work of developing comprehensive healthcare educational and workforce pipelines is valuable to me and the entire state. If you are unable to participate, please assign a designee from your organization.

I have appointed Jen Davis, the Health and Human Services Policy Advisor in my office, to coordinate the Task Force. She will be scheduling the meetings and facilitating the discussions.

Please see the attached Executive Order from Governor Gordon. If you have any questions regarding this appointment, please contact Jen Davis at [jen.davis@wyo.gov](mailto:jen.davis@wyo.gov). Thank you for your service to Wyoming and her citizens.

Respectfully,

A handwritten signature in blue ink that reads "Mark Gordon". The signature is fluid and cursive.

Mark Gordon  
Governor of Wyoming
