COVID-19 Vaccination Campaign

- **Find COVID-19 Vaccines Near You**: Vaccines.gov
- As of June 21, 2021, 189,656 people have been fully vaccinated by Wyoming COVID-19 vaccine providers (those who have received 2 doses of Moderna/Pfizer or 1 dose of Janssen vaccine).
- Vaccination coverage data is available for each county HERE.
- A map showing county level vaccination coverage data is attached.
- As of June 21, 2021, 4,000 12-17 year olds, living in Wyoming, have been fully vaccinated.
- NOTE: vaccination coverage data only includes people who live in Wyoming and administration data is compiled from all Wyoming COVID-19 vaccination providers (includes people who don't live in Wyoming).
- Vaccine supply levels have allowed all counties to offer vaccinations to the general public.
- Getting vaccinated is free. If you have insurance, your insurance can be billed for administration fees. No fees will be billed to you. If you do not have insurance, you will be able to get the vaccine and no fees will be billed to you.
