

Wyoming Frontier Information (WYFI) Newsletter November 2023

eHealth Exchange

The WYFI team has completed the required testing for the eHealth Exchange. We are just waiting on a go live date. We will have additional information in our next bulletin.

We are working on a press release, so please watch for this important and informative information. Just a reminder about what will be available through the exchange.

HIE connections to Wyoming's boarding States:

Colorado/Arizona - Contexture
Montana - Big Sky Care Connect
Nebraska/Iowa - CyncHealth
South Dakota - Health Link
Utah - UHIN

Additional connections:

Social Security Administration
Veterans Administration & Department of Defense
Indian Health Services
UC Health
Health Choice Network (FL, HI, KS, MI, NC, NM, PR, RI, TX)
OCHIN - Oregon Community Health Information Network

WYFI News - KPI Ninja Update

Just a quick update about where we are with the migration from HCI to KPI Ninja Universe:

1. Cloud Infrastructure Build for Amazon Web Services (AWS) - Complete 10/2023
2. Ninja Universe Development - Complete 10/2023

The WYFI team will continue to provide updates regularly on the progress of this migration project in upcoming bulletins.

REMINDER for WYFI User Administrators

Community Health Record (CHR) User Administrators reminders:

1. Please make sure you are terminating any users that are no longer employed by your facility
2. Make sure you are adding users appropriately and following HIPAA rules
3. The password expiration date can only be extended for 60 days at a time
4. Users should log into the system at least monthly in order to maintain their access
5. Users not utilizing the system over a period of time will be terminated by the WYFI team
6. Make sure users are being trained appropriately or request training from the WYFI team
