

Blue Cross Blue Shield of Wyoming (BCBSWY) is actively recruiting for the role of Associate Medical Director. This is a great opportunity for a medical professional looking for a change in pace, while also still wanting to contribute to the health and well-being of more than 100,000 BCBSWY Members.

The ideal candidate will:

- Be a graduate from school of medicine or school of osteopathy accredited by a national accreditation entity
- Have a current, active, unrestricted license as an MD or DO from the Wyoming State Board of Medicine or the ability to obtain within 6 months of hire, and current Clinical Board certification and ongoing Maintenance of Certification (MOC).
- Have a minimum of five years post graduate clinical experience in direct patient care, with a preference for those with administrative experience.

Responsibilities include:

- Utilization Review
- Medical Management and Medical Policy Development
- Quality Assurance and Improvement
- National Representative with BlueCross BlueShield Association
- Clinical Perspective as requested through interdepartmental communications

BCBSWY is an equal opportunity employer offering a robust benefits package. This can be a part-time or full-time position depending on the candidate's interest, including supporting a physician's desire to continue to practice. We're also open to allowing remote work, once training is complete.
