

Junisa Brima
Vice President and Construction Executive
Turner Construction Company

Junisa Brima currently serves as Vice President and Construction Executive for the Chicago Business Unit of Turner Construction. In his role as Construction Executive for Lazkeside Alliance, Junisa is the day-to-day team leader responsible for successful operational delivery of the Obama Presidential Center while ensuring that the manner in which we deliver serves the missions of the Obama Foundation and Lakeside Alliance.

Junisa joined Turner in 1999 after earning a Bachelor's of Science in Civil Engineering from The Ohio State University. He progressed through a number of project operational roles over the course of his 21 year career. Junisa has significant experience working on technically complex, fast paced projects across multiple geographies including: the Ohio Stadium Renovation (Columbus), the Adaptive Reuse of Soldier Field (Chicago), University of Illinois State Farm Center Renovation (Champaign), and KL East Mall (Kuala Lumpur).

Junisa has been active in past with ACE Mentoring Program and Rebuilding Together Metro Chicago. He is an active member of the Oak Park River Forest High School Community Council and the OPRF Communication's Committee.

Junisa is a founding member of Turner's National Inclusion Action Committee and provides thought leadership on development of initiatives to support Turner's 2030 vision of ensuring that our staff diversity reflects the communities in which we do business.
