ABOUT ME

I am a Democrat. I am an active member of AFSCME Council 31, Local 3315 where I have previously held the position of Steward. I went to Marquette University for both undergrad and Law School. Go Golden Eagles!

Although I was born in Milwaukee, I consider myself a Chicagoan. My husband and I have lived in the city for nearly 30 years and have owned a home in the Mayfair/Albany Park neighborhood for almost 17 years.

I have two beautiful daughters and a step-son. My eldest daughter graduated from DePaul University after attending Decatur Classical, Lincoln Elementary, and Northside College Prep. My youngest is an extraordinary singer who attends Cincinnati College-Conservatory of Music. She also attended Courtenay, Beaubien and ChiArts. You may have seen me at the Leaning Tower or Irving Park Y. My kids swam with the Sharks!

I am a member of the LaSalle Street Church. I love to read. I'm often at the Mayfair Library or the nearest Barnes and Noble. I'm an avid Chicago sports fan who loves the Bears, Bulls and Cubbies. No disrespect to Sox fans, you all are all right with me. And I must say, my cooking ain't half bad either!

I have raised children in Chicago. I have the same concerns that you do about violence in our city. I am your neighbor. Borrowing from Maya Angelou, I like to say we are more alike than we are different. I remember, as a child, spending the day outside playing without a care in the world. All children should be able to feel that way regardless of what neighborhood they live in. I believe that justice should not come with a price tag. I believe that we should get equal pay for equal work and I believe that love is love. And with these beliefs, it would be an honor to serve you as Judge of the 10th Judicial Subcircuit. I ask you for your support. Thank you.
