**Officials noted** that 16 and 17-year-olds will only be eligible at the Matteson and Chicago locations as the Pfizer vaccine is the only option currently approved for emergency use in that age group. Anyone under 18 must be accompanied by a parent or guardian.

**Although appointments** are no longer required at city-run locations, the health department encouraged residents to continue to schedule times to receive the vaccine through ZocDoc. Click [here](#) to book an appointment.
