

Who is Devlin Schoop?

In 2015, the Illinois Supreme Court appointed Devlin Schoop a Cook County Circuit Judge where he served in the Child Protection Division, protecting our children from abuse and neglect. But when former Judge Schoop ordered Bruce Rauner's DCFS agency to give OUR children and OUR families social services required by law, former Judge Devlin Schoop was subjected to retaliation and defeated by a recruited opponent from Republican strong-hold Hinsdale.

We must put Bruce Rauner's war on our families and judges to an end!

Devlin Schoop is a Democrat, a son of the South Side, and has been rated Qualified to serve as a judge by all of the Bar Associations. Devlin Schoop has been a licensed attorney for over 20 years, with a practice focusing on commercial, civil rights and employment litigation in the state and federal courts. He is a former law clerk to Chicago African-American U.S. District Judge Blanche M. Manning.

Vote Devlin Schoop and return him to the bench because he is the most qualified candidate who will serve our community and protect OUR families because he is ONE OF US.
