Dear Friends~

We look forward to seeing you at the 32nd Annual Oregon Women in Timber Auction, Wednesday, February 22, 2023. It will be held at the Graduate Eugene & Conference Center in connection with the 85th Oregon Logging Conference Meet & Greet festivities. We will bring the forest to the banquet hall with a cozy, rustic theme. All are invited to celebrate with hosted beer and wine, a hearty buffet dinner, and fantastic auction items.

All proceeds from the auction will benefit OWIT's statewide education program, *Talk About Trees*. These award-winning programs provide free, hands-on education to students in preschool through eighth grade to promote awareness and appreciation for the valuable, renewable resources all around them – Oregon forests. Program topics include tree identification, forest health, renewability, careers in forestry, and more. Over 3.5 million students and adults have been reached by *Talk About Trees* since its inception in 1991, and educators from throughout the state consistently provide outstanding feedback about the program. OWIT's annual auction is the biggest fundraiser for *Talk About Trees*.

Oregon Women in Timber and Oregon Logging Conference have teamed up as Partners in Education to promote this year's theme of "Green Trees Matter. Healthy Forests = Healthy Future". Commemorative lapel pins will be available for purchase for \$100, and each pin comes with the chance to win a \$500 Hotels.com gift card. Only 100 pins are available, and the winner does not have to be present to claim the prize! Every purchase will help support the education of future generations by funding the OLC Foundation Scholarship Fund and *Talk About Trees*.

Please consider donating and/or attending the auction to help support forestry education in Oregon. Your generous contributions are critical to the ongoing success of *Talk About Trees*. Oregon Women in Timber is a 501(c)(3) non-profit organization, so all donations and purchases are tax-deductible. OWIT volunteers and millions of students through the state extend their deepest thanks for your continued support!

For more information about OWIT and to register or donate to the auction, please visit our auction website at <https://orwit.ejoinme.org/2023> or fill out and return the enclosed form.

Thank you for your continued support for forestry education!
