San Antonio Bar Foundation Bexar Outreach Project-Phase II improves public access to legal resources in a post-pandemic world

SAN ANTONIO, TX — The **San Antonio Bar Foundation** launched the **Bexar Outreach Project-Phase I** in May 2020, in response to the dramatic increase in public requests for legal information and resources resulting from the Covid-19 crisis. Phase I engaged an Outreach Attorney staffer who was charged with transforming the public resources pages on the San Antonio Bar Association's site to a robust FOR THE PUBLIC website designed exclusively for non-attorney members of the public seeking legal resources curated for Bexar County. Additionally, the **Lawyer Referral Service** was restructured to an online format to provide 24-hour instant referrals and **Ask-A-Lawyer** was launched - a free community program for residents to ask a volunteer attorney one or two legal questions.

The **Bexar Outreach Project-Phase II** launched with the October 2020 award of a \$15,000 grant from the Texas Bar Foundation. Phase II will expand information accessibility by presenting pertinent legal information in various formats including livestream, prerecorded video, transcripts and closed captioned; building distribution on social media and other online communities; and sharing with more community media partners.

"The most vulnerable populations have been severely impacted by the Covid-19 pandemic. Our goal with Phase II is to provide easy to find, accessible Bexar County specific information in a user-friendly format" reports Whitney Thomas, the new Outreach Attorney. "We built the content in our one-stop resource. Now we are making sure more people know about it and can access that content." concludes Thomas.

Since its inception in 1965, the **Texas Bar Foundation** has awarded more than \$21 million in grants to law-related programs. Supported by members of the State Bar of Texas, the Texas Bar Foundation is the nation's largest charitably-funded bar foundation.
