TRADE ASSOCIATION

Annual Membership Renewal

85 YEARS OF MEMBER SERVICES

CCTI is an international trade association that promotes the industry and offers collective collaboration and networking between members who manufacture composite paperboard cans, containers, tubes, cores, cones, fibre drums, edge-board, honeycomb and related items,

We also connect associate members who supply machinery, parts, adhesives, paperboard, labels, and other services to industry members.

For 85 years, CCTI has brought you many benefits such as industry representation and networking.

We offer a wide variety of quality services that make membership in CCTI a cost-effective investment that will help improve your company's bottom line.

We hereby apply for Membership in the Composite Can and Tube Institute, a non-profit international trade association. We certify that we are eligible for the membership category, as described on the reverse side of this application. The designated company representative named below will receive all correspondence and will officially represent the company in CCTI affairs. The designated Company Representative agrees to the terms as stipulated in the Membership Agreement and membership is governed by the CCTI bylaws.

INDUSTRY MEMBER - (Check the appropriate classification)

A manufacturer in the US of composite (paperboard) cans, tubes, cores, fibre drums, spools, ribbon blocks, bobbins, and related products for commercial sale. Dues are based on a company's prior calendar year gross sales of industry products. **Industry members who also have a supplier subsidiary must join the association as an industry member.**

INTERNATIONAL INDUSTRY MEMBER - A manufacturer of products defined in the Industry Member Category, located in countries other than the U.S.

ASSOCIATE MEMBER - A supplier of machinery, materials, or services to members in Categories I, II, and III. Independent recyclers and consultants providing a service to industry manufacturers also qualify for associate membership.

RETIRED MEMBER - A previous industry executive (manufacturer or supplier) now retired. FREE to all retired members. Members must fill out an application each year to remain active.

EDUCATIONAL MEMBER - An student or teacher from any paper and packaging school worldwide. Members must fill out an application each year to remain active. Dues are \$35 each year.

- Industry Members with sales less than \$2 million = \$1,000
- Industry Members with sales of \$2 - \$10 million = \$2,500
- Industry Members with sales of \$10 million + = \$5,000
- Int'l Industry Members with sales less than \$ 2 million = \$1,000
- Int'l Industry Members with sales of \$ 2 - \$ 10 million = \$ 1,500
- Int'l Industry Members with sales of \$ 10 million + = \$ 2,000
- Associate Dues (suppliers) are \$2,000

APPLICABLE TO ALL MEMBERSHIP CATEGORIES:

Dues are assessed as of May 1, which is the first day of the Composite Can and Tube Institute's fiscal year, and become the member's obligation for a full year, whether or not the membership continues. If a merger or acquisition occurs among two or more member companies, the dues will be paid on the basis of separate companies until the following year. Although payment in full of the initial invoice is standard, members may choose to remit quarterly or monthly. Dues are payable in U.S. funds and may be paid via credit card with a 4% processing fee.

Dues payment are deductible by members as an ordinary and necessary business expense under Section 162 of the Internal Revenue Code. No portion of member dues are currently used for lobbying activities. However, in accordance with Section 10701(a) of the Revenue Act (H.R. 3545) passed by Congress December 1987, contributions or gifts to CCTI are not deductible as charitable contributions for federal income tax purposes.

Membership Agreement:

CCTI is truly a unique organization among manufacturing associations and we take great pride in the benefits, resources, and services that we are able to provide members. What makes CCTI most unique is the commitment of resources, time and energy that members make to serving the association and its goals. We truly appreciate your interest in this association and we look forward to working with you. As a member of the Composite Can and Tube Institute, you and your fellow company employees will enjoy full access to all of CCTI's member services, benefits, and resources. We encourage you to make full use of all of these components of membership and to commit to attending at least one association event annually.
