

## **Hurricane Ian Casualty Losses Questionnaire**

**I. Did you have \$500 or more in unreimbursed losses from hurricane Ian? If so, please fill out the chart below:**

	Original Cost (plus any improvements)	Fair Market Value (FMV) before hurricane *	Fair Market Value (FMV) after hurricane *	Replacement Costs (1)	<i>Insurance</i> Reimbursements (2)	Other Reimbursements (3)
Home/Land/ Landscaping						
Vehicle						
Other Personal Property (Furnishings, Appliances, Jewelry, etc.).						

\* If you have an appraisal prepared, please provide the appraised FMVs, otherwise, please fill out to the best of your knowledge

1. *Replacement Cost: Amount spent on repairs actually made (or to be made), restoring the property to its original condition before the casualty, and only correcting the damage from the casualty. Do not include improvements or upgrades.*
2. *Insurance reimbursements:*  
  
*Received or expected to be received (if you have not filed a claim, the insurance benefit that could have been received should be reported):*  
  
*Insurance payments received to cover living expenses are not a reduction to the casualty loss. If you received such payments, please do not include in total reimbursements amount above.*
3. *Please include any other reimbursements received such as gifts, grants, employer's emergency disaster fund, FEMA, etc.*

**II. Did you have any food spoilage as a result of the hurricane? If so, please provide the amount of unreimbursed loss.**

\*\*\*Please note that expenses such as cost of protection (insurance cost, cost for boarding the house, generators, etc.), expenses for treatment of personal injury, temporary housing, rental car, cost of photographs and appraisals are not considered in the casualty loss calculation and are not deductible. \*\*\*
