OCTOBER/NOVEMBER 2021 • VOLUME 1 • ISSUE 2

UNITED WAY

From September 1st to October 1st, we held our 2022 United Way Campaign. Our team exceeded the goal amount by 25%. Meaning we raised a total of \$9,978.78 for United Way of York County! All donations go towards the impact fund which helps the York area community.

Our top 3 contributors for the campaign were:

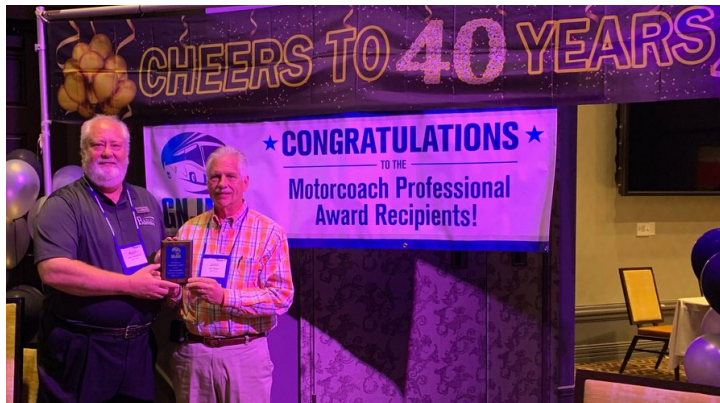

- 1.) Murphy Altland
- 2.) Brittany Beam
- 3.) Kim Greene

On October 4th, 2021 we held our United Way Event to celebrate our contributions and thank our team for their donations! An afternoon lunch filled with fun, prizes, food and sliming! That afternoon Kim, Brittany, and Ray (who was filling in for Murphy) dumped buckets of green slime on John, Courtney, and Ashley.

GNJMA MOTORCOACH PROFESSIONAL AWARD

On October 7th, Keith Hollenberg was awarded the Motorcoach Professional Award. Every year the Greater New Jersey Motorcoach Association honors the employees of members who demonstrate excellence and professionalism in the industry. Congrats Keith and thank you for all that you do!

EXPANDING THE FLEET

In May of this year, we ordered a 2022 Volvo Livery to add to our sedan/van fleet. With the increase in sedan trips, this is going to be a big help for future trips.

The Livery offers a much larger trunk than our Lincoln's have, which will give us more space for luggage on airport trips. Featuring 4-zone climate control and heated rear seats for our client's comfort and integrated sunshades on the rear doors.

Currently, this is slated to come in sometime in November of this year.

CITIZEN OF THE YEAR

On August 12th, 2021, John was recognized as the Citizen of the Year from the Lions Club in Spring Grove. Each year the Lions Club selects someone whose contributions to the community make them worthy of special recognition.

GET TO KNOW THE TEAM

Let's get to know some of the people who make up the Bailey Team!

Steve and Sally Kern

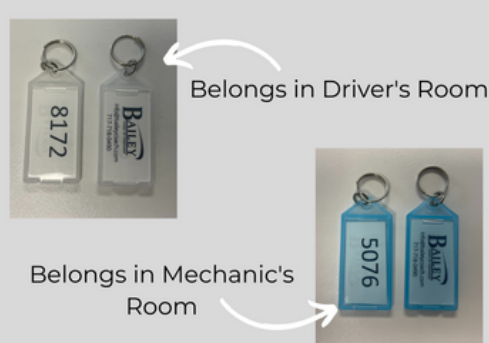

Steve is one of our sedan/van drivers. During Covid, Steve stepped up into a fogging technician role along with his wife Sally. The duo recently took a trip to Mt. Washington in New Hampshire and sent us this photo of them enjoying their trip.

Tammie Moore

Tammie is one of our full-time coach drivers and she has been with us since the beginning of Bailey Coach in 1998! Recently she participated in the York Fair as a craft vendor. Here you can see her set up with her paints and brushes in her booth!

Check Your Keys!

KEYS

As of October 8th, we have switched over to new key tags. Tags are marked with the vehicle number on one side and our info on the other. Clear tags are for driver use and blue key tags for shop use. If you happen to have keys that are in the wrong location, please return them to their home.

REMINDER

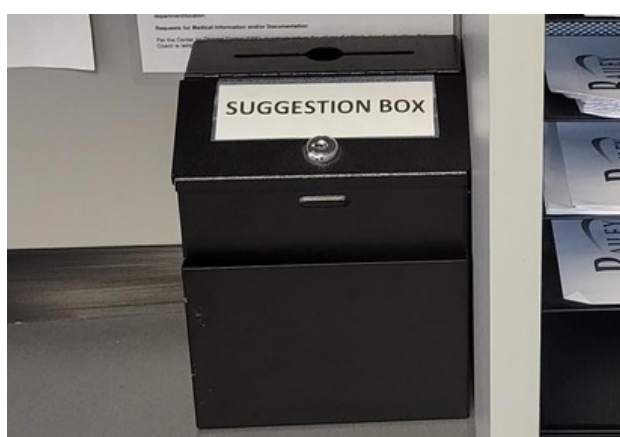

Drivers & Foggers, please remember to always call the Safety Director should you be in an accident in a BFOC vehicle. All other issues that arise after hours should be directed to the Manager on Duty or Mechanic on Duty.

Safety Director: If you are in an accident, please call the Safety Director. Our Safety Director is Rich Rombach- 717.480.1019. Depending on the situation, Rich may direct you to also contact the Manager on Duty or may handle notifying the Manager on Duty themselves.

Mechanic On Duty: If you are having issues that are maintenance related please call the Mechanic on Duty. The Mechanic On Duty's name and contact information is always listed in the Driver's Room. Depending on the situation, the Mechanic on Duty may direct you to also contact the Manager on Duty or may handle notifying the Manager on Duty themselves.

Manager On Duty: If your issue is anything other than maintenance or accident-related, please call the Manager on Duty. The Manager on Duty's name and contact information is always listed in the Driver's Room. Depending on the situation, the MOD may direct you to also contact the Mechanic on Duty or Safety Director or may handle notifying either essential personnel themselves.

These designated people are on call to help you whenever a situation outside of the norm arises. Please make sure to utilize them as the first line of defense whenever you run into a problem. This helps us to streamline our processes & communication. Thank You in advance for making every effort to follow the correct procedure!

LEAVE US A SUGGESTION

Just a reminder that there is a suggestion box located in the driver's room. Want to see something changed? Have an idea to help improve the workplace or morale?

There is a notepad and pen available for you to leave any of your thoughts and suggestions that you feel may help or be beneficial. Please remember suggestions can be confidential if you wish. The Suggestion Box will be checked weekly for any items to review.
