Your job is saving lives. Our job is preparing you for what's next.

As the largest privately-held manufacturer and distributor of medical supplies, Medline is your direct source for quality EMS products at substantial savings.

Because we manufacture and distribute the products you use every day, we're able to eliminate unnecessary cost layers and pass those savings directly on to you.

Through our network of 43 Distribution Centers across North America, we provide rapid order fulfillment, delivering exactly what you need, when you need it.

Every Medline EMS customer gets a dedicated Sales Representative. Our reps know EMS. And we take the time to get to know your EMS organization, so we can make smart, meaningful recommendations based on your unique needs and preferences.

At Medline, our customers are at the center of everything we do. And our family-owned culture ensures it stays that way.
