

In GANA's 23 years, the organization's record of leadership and service to the commercial architectural glazing industry remains unparalleled.

You, our members, are an integral piece of what allows us to accomplish our mission and maintain our position as a technical powerhouse within the glass and glazing industry.

**Joining together** the intellectual power and passion for the material we represent is what makes us the strong and cohesive association that we are. Thank you for being a member of GANA.

Looking to 2018, you are likely aware GANA is pursuing a combination with the National Glass Association (NGA). Though the steps towards that end will continue to be made, **your membership in 2018 is as important as ever.**

- Dues rates will remain the same for the entirety of 2018. A new combined dues structure will not be put in place until the beginning of the 2019 membership year.
- GANA will continue to host its three regular events:
  - [BEC Conference](#): March 4-6, 2018
  - [Annual Conference](#): April 23-27, 2018
  - Fall Conference: September 10-14, 2018 *[in conjunction with GlassBuild]*
- The goal through the combination is to **retain the essence of GANA** while providing the opportunity for new efficiencies and technologies at which NGA excels.
  - GANA's Technical Services & Advocacy Section will be established to focus on the industry issues and trends as it does today to perpetuate brand recognition.
  - Members may recommend work items and volunteer for task groups.
  - A consensus-based approval process will be utilized in order to issue well-vetted and non-biased resources for the industry.
  - The volunteer pool may grow as current NGA members will be welcomed to participate.
- GANA staff are here to serve you. Please contact us anytime.
  - [Jon Small](#), Interim Executive Vice President
  - [Sara Neiswanger](#), Account Executive
  - [Urmilla Sowell](#), Technical Director
  - [Gary Combs](#), Financial Manager

We thank you for your membership and participate to date and look forward to serving you in 2018! Simply [click here](#) to be taken to the Member Portal in order to renew your GANA membership today.
