

**Position:** Recovery Coach in the Emergency Department

**Description:** The Turning Point Center of Central Vermont is seeking exceptional individuals to work as a peer addiction recovery coach in the Emergency Departments of the Central Vermont Medical Center (CVMC) and Gifford Medical Center (GMC). These are wonderful opportunities for those who have achieved a healthy recovery and want to support others in finding their own pathway to a better life. Our recovery coaches have a passion for supporting people seeking recovery. If you do too, you'll feel right at home as a member of our team.

To be considered, you must:

1. Have a minimum of two years of continuous recovery from a substance use disorder;
  2. have reliable transportation;
  3. have demonstrated proficiency using major computer applications including Microsoft Excel and Word; and
  4. you must live within a 30-minute drive of CVMC or GMC. This is a part time position with the potential to grow into a full-time role. Turning Point provides all training for this position. We offer excellent pay, some benefits, and have a generous paid leave policy.
