

Fourth of July
Tailgating Canceled
Fireworks Still On

The Fourth of July Tailgating Party has been canceled to help reverse the rise in coronavirus cases locally and across the State. However, the FIREWORKS WILL CONTINUE AS PLANNED, thanks to the sponsorships by H-E-B and Cavender Auto Country.

Come out to the Fairgrounds parking lot around 8:45 pm. The fireworks will begin shortly after 9 pm.

The Governor issued an order on Thursday requiring all Texans over the age of 10 to wear face covering when six feet of distancing is not feasible. This order does not apply to people of the same household.

Help us all to be safe at the Fairgrounds.

Please park your vehicle approx. 20-feet from one another. This will allow you to get out of your cars and to set up your lawn chairs to enjoy the show.

- If you're going to mingle with non-family members, please wear face-covering.
- We know that children love to run and play with others. We get it. We like to run and play, too. However, for the health and safety of your family and others, please try to keep your children close with you for the duration of the event.
- Please remember to thank the people at H-E-B and Cavender Auto Country for the fireworks, the next time you see them.
