Hospitality, Dignity & Respect, Volunteerism, Stewardship, Community, and Gratitude

– SSKP Core Values

Dear Neighbor,

SSKP began 36 years ago with an idea that everyone can believe in – if your neighbor is hungry, you help feed them. Every day our dedicated volunteers come together to share food and fellowship with those in need. This simple mission started small, and today is accomplished by a staff of 10, hundreds of volunteers, 13 faith community host sites, 6 garden partners, and a caring community of donors.

Though the number of attendees has grown from 13 people at one dinner in 1989 to 1.4 million meals served in 2023, our core values remain the same. SSKP shares food with residents of your town, serving those who live in Clinton, Madison, Killingworth, Westbrook, Essex, Chester, Deep River, Old Saybrook, Old Lyme, Lyme, and East Lyme.

With our five pantries, eight meal sites, and a student backpack support program, SSKP's dedicated volunteers and staff are sharing food and caring smiles, recognizing that each of our guests is living with unique hardships and challenges, and that all deserve dignity, respect, and compassion.

Please give to our Annual Appeal as much as you are able. With the community's support, SSKP will continue to provide food and fellowship to the very best of our ability. Your donation will help us ensure that all our neighbors have access to the food their family needs.

Together we are supporting and strengthening our community.

With gratitude,

Amy Hollis
Executive Director
