Children's Fund News

By Kiwanis Children's Fund District Chair Jody Melcher

Happy New Kiwanis Year Nebraska-Iowa Kiwanians! I hope you are all excited about the possibilities for serving children in our new year.

We had a great year with the Children's Fund. We had total donations of $26.635 from clubs. That came from 53.69% of the clubs in Nebraska-Iowa. Thanks so much for your generosity. We didn't make the President's Challenge, but we came close. The final report will be available at the end of October. I'm grateful for all of the clubs and individuals who donated. We made a huge impact on children both locally and globally. I am proud to be a member of this district. We truly care about children!

The Children's Fund website has been changed. The information tells the purpose of the Children's Fund and ways to donate. The grant process will be up and running again soon. I'm hoping it will be more informative soon, mainly with information about applying for grants and the timelines for those applications.

In the meantime, keep saving those "K" Dollars to donate either individually or as part of your club's donation. Club and individual gifts may be sent anytime in the new year.

Have a great Kiwanis year!
