

Compliance Chair

The compliance chair is responsible for monitoring and assisting clubs as needed with regulatory requirements within each state and the necessary filings with the Internal Revenue Service.

Kiwanis[®]
NEBRASKA-IOWA DISTRICT

Gary Muckel
Compliance Chair

Gary Muckel has been a Kiwanian since 1993 and is a member of Lincoln Center Kiwanis. He served as club treasurer, club president, division lt. governor and district trustee. He is recognized as distinguished member, president and lt. governor and also as a Hixon and Zeller fellow. Gary is a K-Kids advisor for two schools for several years and is certified as trainer for Club Treasurers.

The Compliance Chair reviews the status of our Kiwanis club's compliance to incorporation legal requirements. All clubs are required to incorporate as a 501c4 corporation and maintain that incorporation with filings every other year with their state's Secretary of State. The Compliance Chair encourages clubs that are delinquent in filings to file their report. The Compliance Chair shares the status of each club with the District governor. Clubs requesting assistance are provided guidance.

The Compliance Chair is a new position to the district this year and was created to provide assistance to both the district and clubs.
