# Finance Chair/Committee

The district finance chairman leads the finance committee, which is a required standing committee for all Kiwanis districts. The committee prepare a budget of estimated income and expenditures for submission to the district board; receive and review the annual audit; periodically review any financial reports prepared by the treasurer; and perform such other duties as may be requested by the district board.

**Gary Lindgren**
**District Finance Committee Chair**

The Finance Committee is comprised of at least two past governors and the immediate past governor. The governor, governor-elect, vice governor, district treasurer and district administrator serve on the committee as ex-officio members.

This year's committee members are Gary Lindgren, Region 4 trustee; Don Fritz, immediate past governor; Curt Reis, past governor and Region 3 trustee; and Sue Waldren, past Governor. Gary Lindgren serves as the committee chairperson. Ex-officio members are Governor Lynda Henningsen, Governor Elect Dale Doudna, Vice Governor John Bolz, District Treasurer Larry Ziska and District Administrator Lisa Brichacek.

The committee has responsibility to create the annual budget for the District. They compare the past years' budgets to the actual results from those years. The committee makes recommendations to the governor and the trustees that pertain to each line item on the budget. They also look at cost saving measures through-out the budget during the development process. Once the budget is prepared, it goes to the District Board for review and the appropriate approvals. The committee has been meeting quarterly and on special occasions as necessary. The district treasurer provides the finance committee with financials to be reviewed on a regular basis.
