## **Saving Grace Fresh Produce Collection** – August 4 & 5 upon arrival

It is the wish of Governor Lynda Henningsen that a collection of fresh produce be collected as folks attending the District Convention arrive at the hotel to register. This is be accomplished through **Saving Grace** – a company that collects and distributes perishable food to those in need.

Before attending the convention, please think about bringing fresh produce with you (stop at a produce stand on your way) and drop off your goods at the registration table as you arrive. Members of the planning committee will be greeting you and taking care of your donation. They have coordinated with the hotel to store and refrigerate your donation until it is taken for distribution. Convention goers will also be able to provide a monetary donation if they are unable to provide any fresh produce.
