Kiwanis CHILDREN'S FUND

Happy October Nebraska-Iowa Kiwanians!

Thanks for a great 2023-2024 in donations to the Children's Fund. I get monthly reports with how much each club has donated to the Possibility Project. I should get the updated one for September soon. Since the reports come after I submit my article for the newsletter, the totals donated by Nebraska-Iowa will be a month behind. I have some thank you calls to make to clubs that donated during the summer. I hope to have those done before you read this article. Thank you for your generosity.

In the past month, we have had another club commit to being an Impact Club for The Possibility Project. Emily Wageman, Champion for Divisions 18 and 19, was able to secure a commitment from the Fremont Club! Thank you Emily and Fremont Kiwanis! One more club has voted to become an Impact Club. They will fill out the commitment form soon. Our Champions are hard at work contacting clubs to offer programs so everyone will know what The Possibility Project is all about. Please welcome them to your meeting. It's important to know what the project entails and how your club could benefit by applying for a grant.

Lt. Governor's, please include your Champion on the agenda for your Division Council meetings. They will be able to share updates on donations and other information.

Keep saving those "K" Dollars to help yourself or your club donate to the Children's Fund. As always, if you have questions, please contact me. Have a great 2024-2025!
