Key Club Administrator

The Key Club administrator is responsible for the proper conducting of the Key Club District's organizational and administrative functions in accordance with the Kiwanis District Board's approval, assists Kiwanis clubs in establishing new Key Clubs and promotes the concept of continuing and effective sponsorship upon the part of the sponsoring Kiwanis club or clubs.

Kiwanis
NEBRASKA-IOWA DISTRICT

Tracey Domgard
Key Club
Administrator

It is my honor to serve the Nebraska–Iowa Kiwanis District as they Key Club administrator. I've been a Kiwanian for over 30 years in many ways, but to serve as the Key Club administrator is by far the most rewarding part of service. It has given me the opportunity to give back to an organization that was a gift to my son throughout his own Key Club career. Cooper served as Key Club district governor as well as Key Club International trustee and now serves as my assistant district administrator. I know what a great influence that Key Club has on our youth first hand.

I know you are asking how you or your own Kiwanis Club can support Key Club. I'm here to help! This is the time of year whem we all get questions about dues. Currently, 21 of our 42 clubs have paid their club dues, though the club dues were due Dec. 1, 2022. You can help by making sure that your sponsored Key Club has their dues paid!

You may have heard about our Key Club District Convention March 24-26, 2023 in Columbus, Nebraska at the Ramada by Wyndam. Please support your Key Club students. Promote their opportunity to see amazing keynote speakers as well as breakouts by helping them attend and also encourage them to run for our Board of Directors at the Annual District Convention. I look forward to seeing them there!
