CLUB OFFICERS NEEDED

Clubs across the district should be wrapping up officer elections this month. Kiwanis International asks that clubs report their officers for the 2024-2025 year (which starts Oct. 1) by June 1. Reporting is done online through the secretary's dashboard.

This upcoming reporting date also means that Club Leadership Education is right around the corner for club presidents, secretaries, treasurers and membership chairs. Whether a club officer is brand new to the position or a seasoned office holder, CLE is an annual ask and the district strives to provide new information, along with the must have reminders.

Club officers may attend any of the following sessions to get credit. *(Clubs wishing to apply for awards for the current Kiwanis year will need to have at least two officers attend training.)*
