NEBRASKA-IOWA DISTRICT

District Convention Program Sponsor 2024-2025

Kiwanis must be a positive influence in communities so that one day, all children will wake up in communities that believe in them, nurture them and provide the support they need to thrive. The 4,500+ members of the Nebraska-Iowa Kiwanis District hold this vision close to our hearts and know that is just as important today as it ever was in our 105-year history.

We ask you to support Kiwanians by being a program sponsor for our District Convention in August. Your support will help pay for the printed materials that are a part of our convention and keep our members' registration costs lower.

The 2025 District Convention will take place Aug. 1 and 2 at The Graduate Hotel in Lincoln, Nebraska. Being a program sponsor is a great opportunity for you to be a part of the convention and also affirm your business's, organization's or club's dedication to strengthening our community. Our convention will empower our members with two days of education, activities, fellowship and other opportunities to become even better service leaders!

We need your reply by Friday, April 18. Thank You!

Why Be A Sponsor?

- **Because Kids Need Kiwanis!**
  Sponsorships will help us grow and strengthen our membership. Your generous contribution also makes it possible for our members to gain knowledge and increases our impact as we serve in our communities.

- **Because you increase your visibility**
  Kiwanians are loyal to businesses and organizations that support us and help to further our mission. They are also fellow business leaders and influencers.

- **Because sponsorship puts your name in front of members attending the District Convention.**
  Your advertisement goes into the printed program distributed to convention participants. Your name will also be displayed on screen during the convention.

- **Because you can get added value by being on the District's digital footprint.**
  Starting at the "Partner" level, you will also be recognized on the district's digital platforms, such as the newsletter, website and social media.
