KEY CLUB®

April 22, 2024

Dear Fellow Kiwanians …

As the District Key Club Administrator, I'm approaching you all for help yet again to support our Key Club members that are hoping to attend the 2024 International Key Club Convention to be held in Atlanta, Georgia.

I've attached the brochure given to Key Club members. This years' tour will be a bit different. We are joining 5 other districts prior to the convention for touring and socials. We have seen that the experience to meet others from other districts prior to the convention is invaluable, especially for those who had never attended.

This year's event has an incredible experience for the Nebraska-Iowa Key Club attendees to celebrate! Our own Immediate Past Governor Carissa Andorf has been endorsed to run for Vice President of Key Club International. Many of you have met Carissa and heard her speak.

As you can see by the brochure, cost this year is a bit less on the tour, due to the location. Students issue their own airline tickets with options to travel with Cooper Domgard out of Omaha..

Again this year some of these Key Club members are able to afford to pay for their costs or at least a portion of them. Most cannot. I'm asking you as Kiwanians for your help. I would like to be able to supplement all of the members as reimbursement after their travel. I would also like to support a student that represents our District a**s** Carissa does as she runs for International Office. Many clubs have told me that they either don't sponsor a Key Club or their youth budget has been awaiting the opportunity, or their Key Clubs that they sponsor haven't approached them for support. This is how those clubs can help!

If you do not sponsor a Key Club, this is your opportunity to HELP! Any amount of support is helpful! Please discuss with your board or club members to see what your club might be able to help with.

If you have budgeted funds that haven't been used yet for a Service Leadership Program (SLP) please consider helping out! ANY amount of help is appreciated!

If you have your own Key Club that you sponsor, please encourage them to attend the International Convention with your financial support. Kiwanis Advisors are able to communicate with the Faculty Advisor and encourage attendance and declare support from your club. I promise that they will experience a once-in-a-lifetime event!

We currently have chaperones ready and committed for the Key Club Convention trip. If you have any questions, please don't hesitate to email or call me! Any financial support can be made out to **NE-IA KEY CLUB** and mailed directly to me at 6125 Rosebud Drive, Lincoln, NE 68516.

Sincerely,

Tracey Scissors-Domgard
