Dear Fellow Kiwanians ...

As the District Key Club Administrator, I'm approaching you all for help and support of Key Club.

We are approaching plans for the Key Club International Convention in Washington DC. I've attached the brochure given to Key Club members. As I've prepared the trip, shared with several other districts, I've priced in a \$400.00 airfare included in the cost. That said, we all are experiencing what is happening with energy costs and I've encouraged all that are interested in the trip to get payment in as soon as possible so that we can issue airline tickets for them.

Please understand that some of these Key Club members can afford to pay for their costs or at least a portion of them. Most cannot. I'm asking you as Kiwanians for your help. Many clubs have told me that they either don't sponsor a Key Club, their sponsored youth budget has not been touched because of Covid times, or their Key Clubs that they sponsor haven't approached them for support.

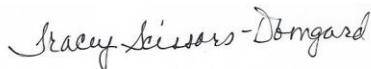

If you do not sponsor a Key Club, this is your opportunity to HELP! Any amount of support is helpful! Please discuss with your board or club members to see what your club might be able to help with.

If you have budgeted funds that haven't been used because of Covid times, please consider helping out! ANY amount of help is appreciated!

If you have your own Key Club that you sponsor, please consider sending them to the International Convention! I promise that they will experience a once-in-a-lifetime event!

We currently have chaperones ready and committed for the Key Club Convention trip! As you can see by the brochure, students are able to attend the convention itself, or add on the tour prior to the convention. If you have any questions, please don't hesitate to email or call me! Any financial support can be made out to NE-IA KEY CLUB and mailed directly to me at 6125 Rosebud Drive, Lincoln, NE 68516.

Sincerely,

Tracey Scissors-Domgard
