Children's Fund News

By Kiwanis Children's Fund District Chair Jody Melcher

Kiwanis CHILDREN'S FUND

Hello Nebraska-Iowa Kiwanians,

My Kiwanis Children's Fund article will be very short this month. I have not received the giving information for the month of October so can't update donations from the District. Thanks to clubs who have already donated to the Children's Fund in the first month of our Kiwanis year. Your promptness is appreciated.

We are in the second year of the roll out of The Possibility Project. Many children have benefited from your generosity and the generosity of clubs around the world. Working together to raise funds helps us have a greater impact. Thanks for embracing The Possibility Project and making annual club and individual donations to The Children's Fund.

The grant I want to share with you this month comes from Jefferson, Georgia. It fulfills the Children's Fund cause of Education and Literacy. This project targets children who have few, if any books at home. Club members work with their local schools to identify children with the greatest need. Sixty plus children are given a basket containing 24 books. They unwrap one book each day during December. The basket also includes a toy that the child can unwrap on the 25th. The Children's Fund grant enabled the club to purchase the items needed for this project. Great idea!

Keep saving those "K" Dollars. They add up!

Thanks for reading!
