MEMBER SPOTLIGHT

Nicole Hayes

Event Coordinator at Kenny Ross Automotive

I've worked in several different industries over the years, including retail, childcare, and several at home party businesses. In my spare time I've enjoyed volunteering in the community as well as with my kids' schools and other organizations. When I came across the event coordinator opportunity at Kenny Ross, I thought this would be a great way to combine my professional experience with all the things I love to do in my personal life. Several events happen throughout the year at all of our stores. For example, we have photos with the Easter Bunny and Santa for kids and pets too and pet adoption events. In the year that I have been in this position, I have added community events such as our electronics recycling and a bike safety rodeo. This job is more than just putting on a party, I also get to do my part with non-profit organizations. Through Subaru I am able to deliver hot meals, help dogs find their fur-ever homes, and take care of our environment.

My husband and I have lived in the area for the last 18 years and we have 2 amazing kids, Madison and Tanner and our Bella, who we rescued about a year ago. I enjoy crafting, volunteering, and spending time with family and friends.

Favorite Chamber Activity: Anything where I can meet new people.

Favorite Quote: You are either part of the problem or part of the solution.

Favorite Movie: Too many to name just one.

Top 3 on Bucket List: Travel to Ireland, Scuba Dive, Write a Book.

Drink of choice: Water, with lemon or any flavoring.

Hidden Talent: No talents, either hidden or known.

What food do you wish had zero calories? Cheesecake
