8:00AM- 3:00PM Bring breakfast/ lunch on boat for a day on the SEA

Bring drums ,water, crystals you would like to cleanse and recharge with the dolphins energy, a long sleeve cool shirt, water shoes, towel, light weight sarong, and sunscreen.

Drumming on the beach.

You will be pulled very slowly behind the boat on dolphin/ water massage boards releasing your physical body to relax and feel what the Dolphins feel in their natural habitat. We provide the experience that a dolphin feels as they go through the pristine and gentle warm waters of the ocean while having a womb experience of being held by mother ocean.

We will use sound massage tools, tuning forks and Tibetan brass bowls, on each other while Capt. Victoria uses her crystal practitioners bowl.

Bring Crystals to charge up and take home as well as one to leave with the dolphin as a sending and receiving unit.

7:00 closing ceremony- talking stick activity with video photo booth - Final energy scan and aura reading.
