## CAMP QUEST

Join us for a fun-filled adventure at Camp Quest! This Kiddie Camp is designed for kids ages 3-5. The program provides our youngest campers the ability to experience camp in a small setting geared just for them. Campers experience growth in social, emotional and physical skills by participating in age appropriate activities. Camp will feature themed and play-based curriculum to provide campers with hands-on experiences through arts and crafts, sensory play and activities that encourage exploration, discovery, and creativity. Campers must be fully potty-trained; no training pants allowed.
