Event Evaluation

As with all IoL events, we want to ensure that you have a fantastic learning and networking experience and that we deliver on the event objectives:

To provide a valuable learning and discussion opportunity for licensing practitioner, to increase understanding and to promote discussion relating to the intricacies and practical application of the law in the subject areas and the impact of forthcoming changes and recent case law. The course structure is aimed at allowing maximum benefit to be derived by delegates in allowing them to choose the subject areas most relevant to their areas of interest.

We will be surveying all delegates after the event to get your considered views and it will really help us if you would take the time to complete the survey. In the meantime, if you have any questions or concerns during the event, please let us know – We will ensure that there is an IoL team members on the IoL reception at all times where possible.

Have a great conference!
