Driver Shortages – The Industry & Regulators

- Working together
- Successes and possibilities for driver and licensing

Promoting Excellence in Licensing for 25 years #NTC2022

Driver Licensing

- The strong cases for conditional licences for executive/chauffeur and SEND drivers with strict conditions.
- Appropriate PHV & Taxi training and testing
- Better medical checks
- Unified and portable DBS checks

Promoting Excellence in Licensing for 25 years #NTC2022

Vehicle Licensing

- Air quality requirements not age limits
- Exemptions for certain SEND, accessible and special needs vehicles
- MOT's, inspections and testing
- Tinted windows

Promoting Excellence in Licensing for 25 years #NTC2022

Future Opportunities & Reform

- New Taxi Minister
- Best Practice Guidance
- National database
- Updated NR3
- National standards
