12:45 – 1:30 PM - Engaging Parents and Students in STEM Career Discovery through CTE
Recent events have highlighted the shift in workforce demands and specific career fields that are resilient in the ever-changing global economy. This seminar will provide insight into how Career and Technical Education (CTE) programs have evolved to offer unique opportunities for career exploration in high demand fields for middle and high school students. Attendees will also learn about resources and grants available to engage students and families in STEM enrichment and career exploration activities both inside and outside the classroom.
Presenter Charles Britt, Fairfax County PS CTE Advisory Committee Chair, Moderator – Debbie Kilpatrick

1:30 – 2:00 PM - Engaging Your PTA/PTSA Members and Community: How is your PTA/PTSA addressing ongoing discussions about continuing virtual learning and returning to an in-person school day? How is your PTA/PTSA including all of your school community in discussions based on equity, student needs, and safety for everyone? Join us in an open forum as we explore these challenges and share information/best practices how our PTA/PTSAs are taking on these challenges. This is an opportunity to share your expertise with your peers!
Moderators: Council and District Leaders
