Pinal County Community Health Improvement Partnership Workshop

We invite you to join us at an upcoming Pinal County Community Health Improvement Partnership Workshop. During these events, we'll review the results of the 2026–2028 Community Health Needs Assessment and encourage interactive discussions with community health stakeholders to develop and prioritize the Community Health Improvement Plan.

Who should attend: hospital/healthcare partners, public health, community-based organizations, education partners, local leaders

Why Attend?

- Learn about key health needs in Pinal County
- Collaborate with cross-sector partners
- Help shape priorities for community health improvement
- Engage in meaningful, action-oriented discussions

This year, we will host two identical sessions:

May 18, 2026, 10a-2p at Banner Casa Grande Medical Center
Register here: https://www.eventbrite.com/e/pinal-county-community-health-improvement-partnership-tickets-1988353659320?aff=oddtdtcreator

May 28, 2026, 10a-2p at Banner Ironwood Medical Center
Register here: https://www.eventbrite.com/e/pinal-county-community-health-improvement-partnership-tickets-1988368168718

You only need to attend one session; please register for the session that works best for your schedule/location. Lunch will be provided. Additional information to be provided upon registration.

Your voice matters. Help shape the future of community health initiatives and partnerships. Together, we can build a healthier Pinal County.
