SAGUARO SUBSTATION OUTAGE NOTIFICATION
(Project# WE012309)

We're upgrading our facilities in your area to better serve you.

On **April 14, from 10 P.M. to 11 P.M. and April 15 from 5 A.M. to 6 A.M.** power will be off as we upgrade electrical equipment in your area.

We recommend the following actions prior to the outage:

- Make appropriate arrangements if you have special conditions that may be affected by an electrical outage.
- Keep refrigerators and freezers closed as much as possible.
- Remove your vehicle from garages with power doors.
- Turn off or unplug electronic equipment such as computers and audio/visual equipment before the outage starts.
- Notify your security monitoring system.

For additional information or questions, contact APS Outage Coordinator Jenna Bell at (602) 762-5436 or jenna.bell@aps.com.

To stay informed about the outage and resources available, visit aps.com/outage.

Thank you for your patience as we work as quickly and as safely as possible to improve service in your area.

SAGUARO SUBSTATION OUTAGE NOTIFICATION

(Project# WE012309)

Stay informed with outage alerts via text and email.

If work is moving faster or slower, we'll keep you updated with estimated restoration times. You'll get alerts when:

- The planned outage begins.
- Key information is updated.
- Power is restored.

Customers with a current email or cell phone number on file are automatically enrolled in outage alerts. Learn more at aps.com/alerts. Or download the mobile app on your cell phone.
