

Dear SVUSD Families,

We are contacting you this evening to share that the secondary (7-12) Distance Learning schedule will be modified next week (the week of August 31). This will maximize instructional time for students due to the Staff Development day on Friday, September 4 and the Labor Day holiday, Monday, September 7.

**For the week of August 31 only**, secondary students will *not* follow the Monday schedule. Instead, the Tuesday-Friday schedule will be moved up to begin on Monday, August 31. Despite the change, teachers will still post the weekly agenda on Monday morning. For next week only:

- Tuesday classes will meet on Monday
- Wednesday classes will meet on Tuesday
- Thursday classes will meet on Wednesday
- Friday classes will meet on Thursday
- There will be no class for students on Friday, September 4 (District Staff Development Day)
