EARLY COLLEGE PATHWAYS

Be College & Career Ready!

Through a partnership with Saddleback College & SVUSD CTE Department, SVUSD Virtual Academy is pleased to offer dual enrollment opportunities!

All About ECP

- FREE COLLEGE CLASSES!
- Classes are online & asynchronous.
- Receive high school and college credit.
- Complete a certificate and progress towards a degree.
- Both pathways are a two year commitment & start in the Fall.
- *ALL* SVUSD high school students are eligible!

Two Rewarding Career Pathways to Choose From!

Cybersecurity

Provides the opportunity to master the necessary computer information security concepts to implement safe, secure digital systems and also the ability to detect and repair various cyberattacks.

Outcome: Cybersecurity/Information Security Analyst Certificate of Achievement (22.5 college credits)

Business

Designed to introduce the practices and technical skills that will open doors to Business, Law, Accounting, Real Estate, and other careers that drive the global economies of today and tomorrow.

Outcome: Business Certificate of Achievement (23.5 college credits)
