

Family Workshops

Workshop 1 - Welcome to the ST Math Family

- In this introduction to ST Math, learn about the power of games to change the way we feel about math.

Workshop 2 - Supporting Your Child in ST Math

- Explore how learning occurs in ST Math and learn to support your child using your knowledge of the Learning Cycle and the program tools.

Workshop 3 - When Your Child is Stuck

- Learn about the importance of productive struggle and perseverance in ST Math and what to do when your child is stuck.

Workshop 4 - Celebrate the Joy of Learning

- Intrinsic motivation grows as students work in the program, and extrinsic motivation can enhance learning as well. In this workshop, we'll look at strategies for celebrating success in ST Math.
