

Smith Baptist Association Ministry Opportunities

Is your church looking for a Mission Outreach Opportunity?

There's an estimated 30,000 villages in the Amazon River Basin with no gospel presence. **Amazon Outreach** mobilizes short term

mission teams to assist Brazilian churches in making disciples. We use Jesus wholistic model by meeting physical and relational needs to preach the gospel. We meet physical needs through medical, dental, eyeglass and water well ministries. We proclaim the gospel through mens, womens, teens, children's and door to door evangelism ministries. To learn more about mobilizing your church to help reach "The Forgotten People" of the Amazon, go to www.AmazonOutreach.org or contact bholmes@amazonoutreach.org

BSM is an organization that provides opportunities for spiritual growth, friendship, leadership, and missions. Where students

connect in their college years (particularly those first weeks) can have a major impact on their college experience. Every campus looks a little different, but each BSM's priorities are the same: evangelism, discipleship, missions, leadership, and church life. **Amber Brommers. uttylerbsm@yahoo.com.**

Bible Drill + Speakers Tournament

Bible Drill is a Southern Baptist Convention program involving older children, youth and high school students in systematic memorization and location of certain Scriptures. Participants develop strong Bible skills using a variety of activities to increase their knowledge of the Bible. By hiding God's Word in their hearts they learn how to apply the Bible to their everyday lives. In the Spring of each year students prepare for competitions at church, association, and regional/state levels. **Terri Greer, Children's Minister Flint BC 903-894-7649**

Breckenridge Village is a Christ-centered community of adults with mild to moderate intellectual and developmental disabilities. Breckenridge Village is dedicated to empowering and assisting residents and participants in developing spiritually, socially, mentally, emotionally, and physically in a compassionate and safe environment.

**CHURCHES
SERVING
SCHOOLS**

The mission of Churches Serving Schools is to inspire and equip churches to love and support local schools in Jesus'

name. Our Goals: Pray for new Churches to join CSS. Identify the purpose of Church/school partnerships and highlight volunteer opportunities. Provide Churches with information for volunteers on district volunteer protocols and background checks. Provide ideas to new Church partners of ways to support schools. Help Church volunteers understand the importance of their commitment to the school and students

While each church has its own unique school outreach ministry, from opening car doors and volunteering in classrooms to providing teacher treats and needed supplies, they all have one common goal—to be the hands and feet of Jesus in our local public schools.

Faith Baptist Outreach is a ministry of Faith Baptist Church of Tyler dedicated to serving the community through various acts of compassion and support. Examples are:

- Hosting Health Fairs to promote wellness and preventative care
- Providing back-to-school backpacks to students in need.
- Offering Christian Counseling to individuals and families
- Feeding the community through

meal programs and food drives

• Assisting families in crisis with practical support and resources
Faith Baptist Outreach exists to demonstrate the love of Christ through service, generosity, and a commitment to the holistic well-being of individuals and families in our community.

Freedom Seekers International helps persecuted Christians in hostile countries escape and relocate to places of safety. We partner with churches by providing the connections, resources and communications necessary for a safe escape and resettlement for the believer in danger. Our goal is a successful resettlement for each persecuted Christian so that the Gospel continues through their lives.

Operation Christmas Child aims to bring joy, hope, and the love of Christ to children in need around the world through gift-filled shoeboxes. It encourages communities to participate in sharing the message of Jesus and supporting those who are less fortunate. We warmly invite all Project Leaders and church members to join us for our upcoming Project Leader Workshop on September 13th at 8 am at Mount Carmel Baptist Church in Whitehouse, Texas. This workshop will provide valuable training, updates, free resources, and inspiration to help make this year's shoebox drive a meaningful success. We look forward to seeing you there and working together to make a difference in the lives of children in need. **Scott Dowdy 903-570-9247.**

The Purpose of **Royal Ambassadors** is to involve boys in missions. Involvement in missions is living one's faith daily: personal experience in witness and ministry, and giving and praying to support persons involved in missions. The Royal Ambassador program helps boys to become aware of the needs of people around the world and to respond to those needs. The organization seeks to lead boys to a personal commitment to Christ and assist them in their Christian growth experience. Through Royal Ambassadors, boys are led to an awareness of their responsibility

to Christ and encouraged to become His ambassador. This purpose is outlined in the Royal Ambassador Pledge. **Kirk Acheson, Director.** kirk.acheson@gmail.com 903-245-7153

The **Girls' Auxiliary (GA)**, now known as Girls in Action, is a missions discipleship program for girls within the Southern Baptist Convention (SBC) and other Baptist denominations. It aims to teach girls about missions, encourage their spiritual growth, and involve them in supporting mission work.

Purpose: The GA program, sponsored by the Woman's Missionary Union (WMU), helps girls understand the biblical basis

of missions and their role in God's plan. Activities:

Girls participate in activities such as Bible study, learning about missionaries, fundraising for missions, and engaging in various service projects.

Texas Ramp Project is a 501(c)3 nonprofit organization which builds wheelchair ramps for disabled or elderly people who cannot afford to buy one. This work is accomplished in Smith County by a team of volunteers who offer their time, skills, and resources to provide this service. Last year this team built over 150 ramps with no charge to the recipients

In 2025, referrals by healthcare professionals for this team to build or repair ramps in Smith County have increased significantly.

The Smith County Team of Texas Ramp Project is seeking people to help with this work. Most of our volunteers are retired. Many are over age 70. Several are in their 80's. Our director has said, "If you can stand up and pull the trigger on a screw gun, we can put you to work!" You can join one of our existing teams, or start a team in your own church. Training and other resources are available.

We also need funds to build ramps. Virtually all funds you may give will be used to purchase lumber, plywood, screws, bolts, and other items essential to the construction of ramps for those in need in Smith County.

The **Southern Baptists of Texas Convention (SBTC)** is an association of conservative Baptist churches in Texas, supportive of the Southern Baptist Convention and its entities. The Southern Baptists of Texas were

formed by churches within the Baptist General Convention of Texas so that they might partner more closely with the SBC in a fellowship based on a common, conservative commitment to the inerrancy of Scripture. As of 2025 Annual Meeting, it had approximately 2,800 affiliated churches.
