2019 Golf Tournament

BUILDING THE FUTURE

RHBOT

The Richmond Hill Board of Trade is a not-for-profit organization dedicated to connecting, serving, and empowering its more than 560 business members. RHBOT promotes local businesses while developing innovative solutions to changing economic conditions and environments.

The Board of Trade offers more than 60 member and public events each year. Each event is designed to provide our member businesses with networking opportunities and with the knowledge and specialized training they need to succeed. When planning each Board of Trade event we ensure it benefits our members and builds community bridges.

RHBOT Golf Tournament

Join us for our 39th Annual Golf Tournament this year as a golfer or sponsor. It will be a fun and exciting event that includes a number of on-course activities, contests, food stations and more.

In addition to enjoying a round of golf among friends, your involvement and support will help raise proceeds for programming at the Richmond Hill Board of Trade. Following the event we offer a gourmet barbecue lunch, silent auction and an opportunity to network with many new colleagues from across York Region.
