

DESTINATION:

Census 2020: What You Need to Know

SUNDAY, 2/16, 2-3:30 PM

United States
**Census
2020**

By April 1, 2020, every home will receive an invitation to participate in the 2020 Census. Why does it matter and what can you do to ensure that our communities have a complete count?

Join League of Women Voters-Illinois specialists Hillary Denk and Siobhan Greene, who will discuss its importance and lead an interactive workshop on participation. Village of River Forest Trustee and Chair of the Census Committee Erika Bachner will represent the local perspective. A representative from the Census Agency will also have information about work opportunities.

Brought to you in partnership with League of Women Voters.
